

Task. B1 level.

Write about 100-120 words following the instructions.

Finally, you have chosen to take part in a two-week linguistic immersion this summer. You received an email from Katherine, the person who will give you free accommodation, where she explains that the first fortnight of August has been assigned to you. You have answered showing your enthusiasm, explaining why you can't go before August 8th and suggesting what I could do.

Dear Katherine,

How are you? I am glad to hear from you. I am very excited about my trip to England and I look forward to being there. This year I have made progress with my English and I am sure that this summer will be amazing for me.

Regarding my trip, I will just say that, I have a great problem with this date, the first fortnight of August, because my sister is getting married and as you can imagine, it will be impossible to stay there until 8th August.

As you can see, I can not change my plans because it is impossible. It would be a pleasure, if you found a solution. I will be able to stay there from 8th until 22nd August.

I expect to hear from you.

Best wishes,

Aixa.
